

## SKATEISTAN MEANS 'THE LAND OF SKATE'. IT'S OUR LAND. WE ARE THE CITIZENS OF SKATEISTAN.

### What is the Citizens of Skateistan?

The Citizens of Skateistan is our international community of supporters, students, staff and skaters. Skateboarding is a universal language, uniting people all around the world. It is a culture that sees no boundaries, only opportunities; to learn, to progress and to belong. So, as a family we share a dream of bringing children together through skateboarding and education.
